VISION

Acharya Sudarshan Janki Vidyapith has been pursuing its educational goals, a palette of rainbow colours, guided by and in line with the principles and revolutionary vision of our unique leader, Acharya Shri Sudarshan ji Maharaj, our experienced MARG DARSHAK, our unwillingness to sacrifice the quality of the contemporary education we deliver and our technical resources similar for us to pursue our key principle, namely to provide quality education for our most valuable assets, our children, the adults of the future, in an internationally minded framework and atmosphere of respect. We provide educational opportunities based on inquiry, the development of concepts, skills and attitudes, blended with the goals of the national curriculum. Our program instils a love of learning while preparing students to acquire the skills, attitudes, and values to meet the demands of a rapidly changing world.

OUR AIM: SARVASIKSHA, PREPARING THE LEADERS

We at **Janki Vidyapith** are committed to provide the society with education and believe that every child has a unique capability. We are focussed on tapping that very capability in him and nurture that in a way so that he can serve the society more efficiently.

We are on path of mentoring the " Leaders of Tomorrow "

ABOUT OURSELF

The **Acharya Sudarshan Janki Vidyapith**; located in the heart of city Gaya, the land of enlightenment of Budha and the pious land of Lord Vishnu which proves the presence of God in this world. Janki Vidyapith has been founded to accomplish the dreams of all those Grandparents and Parents who wanted their children to be literate and educated. The school is governed by the rules, regulations and curriculum of CBSE and is run under the aegis of the "Maa Janki Educational Trust".

In school, you learn how to learn.

We at **A.S. Janki Vidyapith** offer a learning environment that embodies all the principles of a child's growth and learning that are derived from the philosophy of progressive education. In addition, we cultivate awareness to 'global issues' like - cultural diversity, social justice, sustainable development, globalization and interdependence and peace and conflict. Pupils learn, enrich and extend their knowledge by engaging in projects, presentations and group work. They are prepared to become productive citizens by promoting problem solving, teamwork, responsibility, self-esteem and mutual respect.

SMART CLASSROOMS

Classrooms along with their morphology provide a learning environment where Children explore and groom their personalities. At **ASJV** the classrooms are well lit and spacious The soft boards around the class showcase the creativity of our young leaders. The graceful furniture in the classrooms is designed, keeping the comfort of the students in mind. The front wall of classrooms is graced by majestic green or interactive board. A large class cupboard standing in the corner of each classroom adds colour and grace to the class.

Smart Class is a path breaking revolution that has transformed the way teaching and learning happens in classrooms. Smart class enabled rooms provide tools and content mapped to the curriculum for interactive self-paced learning by students, along with rich multimedia presentations for teacher-led Classroom Learning.

LIBRARY

Our endeavour is to inculcate the habit of reading in the growing children so that they learn to go beyond the curriculum. ASJV has a well-established library which is an integral part of the school. It is managed by a well-qualified librarian. It provides a stimulating, user friendly and information rich environment. Its resources also help in integrating it, with our well-equipped laboratories and its activities. It has a vast collection of fiction and non-fiction books.

CURRICULUM

Learning By Doing

ASJV adheres to the curriculum guidelines of CBSE (Central Board Of Secondary Education), the most prestigious national board of India. The curriculum is followed through the integrated use of technology and knowledge from textbooks by NCERT (National Council Of Education Research And Training); Smart class Audio-visual modules; Online smart class, CBIL (concept Based Integrated Learning) which involves TIE (Theatre In Education) as well as AIE (Art In Education). The three language formula, of CBSE is introduced in class V.

Our curriculum is favourably designed to create conditions for our students to learn.

"I don't teach children, but create conditions for them to learn."

Albert Einstein.

PARENT TEACHER INTERACTION

ASJV Organise a Parent-Teacher meeting on a month on month basis and after every Terminal examination or completion of unit test, P.T.M. is organised on every 1st Saturday of the Month for Play Groups and on every 2nd Saturdays for Juniors upto Std 5th.
